

THE HON PAUL FLETCHER MP

Minister for Communications, Urban Infrastructure, Cities and the Arts
Federal Member for Bradfield

MEDIA RELEASE

24 May 2021

Stronger Communities delivers local infrastructure projects in Bradfield

The Morrison Government is delivering on its commitment to supporting local infrastructure projects, with sixteen local community organisations in Bradfield receiving funding under Round 6 of the Stronger Communities Programme.

Under Round 6 of the program, \$150,000 of funding has been allocated to small capital projects across Bradfield, including local sporting organisations, theatres, churches, emergency services and other community services.

“These investments in vital local infrastructure are strengthening social connections and building community participation within the electorate,” said Member for Bradfield, Paul Fletcher.

“This reinvigoration of our local community organisations is particularly important as we emerge from the COVID pandemic”.
